## asrTrust-GM Essential 30-day Travel Health Plan

Your current asrTrust retiree benefits plan with Green Shield Canada (GSC) includes a 30-day Essential Travel Health Plan, provided – and paid for – by the asrTrust. This plan provides guaranteed coverage for an unlimited number of trips each lasting up to 30 days – at no cost to you.

## Going away for longer than 30 days?

For members who wish to purchase additional coverage on a trip-by-trip basis, the Individual Travel Health Plan might be for you!

## Details

The GSC asrTrust-GM Retiree Individual Travel Health Plan allows you to top up your Essential asrTrust-paid coverage on a trip-by-trip basis giving you the option to apply for – and purchase – an additional number of days over and above your Essential 30-day Plan. Trip duration periods include trips for up to an additional 15, 30, 60, 90, or 150 days.

## Who can apply?

asrTrust-GM retiree members and eligible family members.

## When should I apply?

Your application must be completed, signed and received by GSC, along with your payment, at least two (2) weeks prior to your trip departure date.

## Is coverage guaranteed?

No, coverage is **not** guaranteed. You need to apply for the Individual Travel Health Plan, complete a medical questionnaire, and pay the full cost. Coverage is subject to approval by GSC for each trip. If your coverage is denied, you still have 30-day coverage under the Essential Plan.

## Trip Duration Periods

You can extend your total trip coverage to 45, 60, 90, 120, 180 days (including the 30 days covered under the Essential 30-day Plan). You must return to your province of residence by the end of the total trip duration period you purchase. After you have been back in your province of residence for at least 24 hours, you qualify automatically for a new 30-day coverage period under the Essential plan.

## Cost to you?

You pay for this Individual Travel Plan coverage on a trip-by-trip basis. The premium you pay covers one trip only. You must pay the full amount directly to GSC via cheque or credit card when you apply for coverage (prior to your trip departure date). The payment is processed only if your application is approved. The single premium you pay for your optional Individual coverage – per trip – depends on your age and the trip duration you select.
